

Informational Text

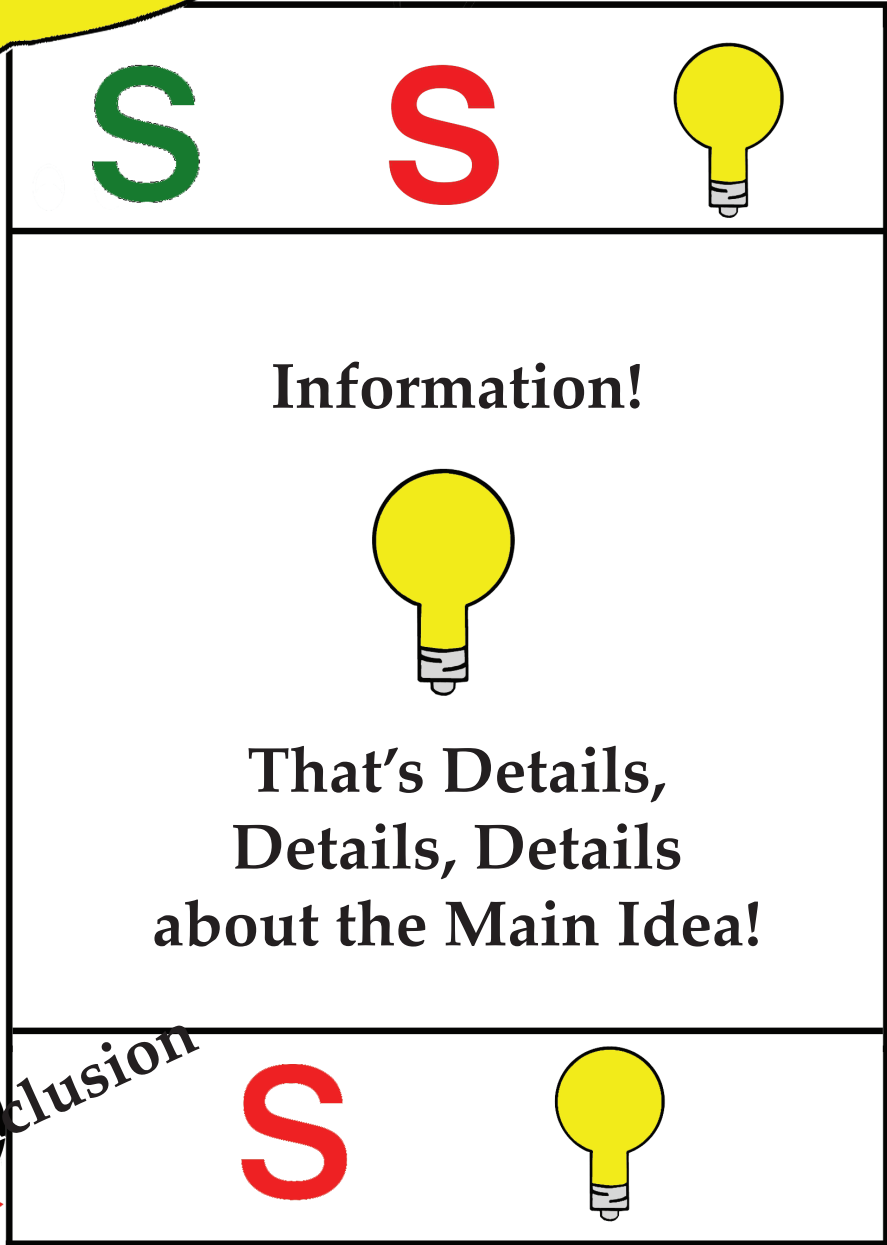

Nonfiction

Main Idea!

Conclusion

Informational Text Structure Chant

Nonfiction is true information,
and it always has the same parts:
main idea, body, and conclusion.

The main idea! That's what all
the information is about.

Body! This part is filled with details,
details, details; that's information
all about the Main Idea.

Conclusion! Repeat the Main Idea,
but use different words.
